A gorgeous hand-lettered poem by Edward Monkton, this is a beautiful duet between a shoe and an admiring lady. THE SHOES OF SALVATION is Edward Monkton's smile-inducing take on the relationship between a woman and her shoe. The Shoe is the seductive object of the woman's affection, worshipped and admired from afar as the pinnacle of perfection. Only when she can gaze down at these beautiful objects of torture will her life be complete. The perfect card for women of all ages and shoe sizes, this is a development of the stylish Edward Monkton card featuring the Shoe of Salvation.
