This is the third novel in Henry Williamson's "Flax of Dream" sequence. Willie Maddison has returned from the Great War and chooses to live a recluse-like existence in a remote Devon cottage he cares for injured animals and writes. This abruptly changes when Evelyn Fairfax enters his life. Their affair should have been therapeutic, helping to anaesthetize the horrors of war, but complications develop when Willie follows Evelyn back to Folkestone where she has a husband, a young daughter, many besotted admirers, and a bad reputation. The four novels comprising the "Flax of Dream" sequence are: "The Beautiful Years", "Dandelion Days", "The Dream of Fair Women" and "The Pathway". It has been said, 'together they must be regarded as one of the major works in English fiction of the day ...in every respect a wonderful achievement'. Faber Finds is proud to be reissuing them.

King Alice Arthur feels like Kay's slave. He's constantly pushed around. But one day, under a tournament something exciting happens. Kay send him to get him the sword.
