Being a mommy must be so much fun...musn't it? Sweet and hilarious family fun from a fabulous author/illustrator pairing. It must be AMAZING to be a mommy! Every child wants to be just like their mommy and do all the exciting things that grown-ups do. But is being a mommy really that much fun? Or can being small be just as special? Maybe they can both be wonderful, if you do them together...A joyous and heartwarming story of family love and playing together, in this second title from a talented new author/illustrator pairing.

Jeg synes alltid at pinsen er en skikkelig bonushelg, for den kommer like overraskende på hvert år. Vi har brukt dagen til å kose oss med familiebesøk, god mat og. En mor og en sønn Det var en kald novemberkveld. Jeg fikk ikke sove, jeg lå i minutter å koste meg med meg selv. Jeg dro meg selv etter penisen, langsomt, frem og.
