Alike in every single way...with one dark exception. As identical twins, their mother insists that everything about them be identical: their clothes, their toys, their friends...the number of letters in their names: Haylee Blossom Fitzgerald and Kaylee Blossom Fitzgerald.

If one gets a hug, the other must, too.

If one gets punished, the other must be, too.

Homeschooled at an early age, when the girls finally attend a real high school they find little ways to highlight the differences between them. But when Haylee runs headfirst into the dating scene, both sisters are thrust into a world their mother never prepared them for-causing one twin to pursue the ultimate independence. The one difference between the two girls may spell the difference between life...and a fate worse than death. Written with the taboo-breaking, gothic atmosphere that V.C. Andrews is loved for, The Mirror Sisters is the latest in her long line of spellbinding novels about mysterious families and tormented love.
